Most Holy Body & Blood of Christ

TAKING THE FIVE LOAVES AND THE TWO FISH,
AND LOOKING UP TO HEAVEN,
HE SAID THE BLESSING OVER THEM, BROKE THEM,
AND GAVE THEM TO THE DISCIPLES
TO SET BEFORE THE CROWD.

THEY ALL ATE AND WERE SATISFIED.

ST. MARY CEMETERY NEWS

Hi friends! As the weather gets nicer, we hope you'll be able to stop by to enjoy our beautiful and peaceful cemetery. We want to give you a couple pieces of information to make your experience as enjoyable as possible.

Dear love to visit our cemetery. When putting live flowers out, it's best to choose varieties that aren't as appetizing to our four-legged friends. While nothing is completely fool-proof when it comes to wildlife, here's a few suggestions for flowers that deer typically don't love to eat: heliotrope, sunflower, zinnia, Persian shield, poppies, larkspur, snapdragon, sweet alyssum, lobelia, sweet William, and marigolds.

We are currently experiencing some difficulties with our water supply on the east side of the bridge. We're working on it, but in the meantime, the taps on the west side of the bridge are working normally. We apologize for the inconvenience!

IN JOY & SORROW

With Fr. Bill
Swichtenberg

As we officially welcomed summer on Friday (6/21), and hoping that you will be blessed with the holy leisure of being able to sit with family or friends around a campfire sometime during these summer days, here is a timely meditation that I have taken from Fr. Edward Hays' **Prayers for a Planetary Pilgrim**:

Holy is this fire of midsummer's eve,
and holy are you, O God,
who from your burning heart
drew forth a fiery ball
and flung it into space.

Your laughter shook the empty cosmos
and echoed again and again
until the darkness of space resounded
with your love and with fire.

You reached in again and drew forth fire
and seeded it like yeast
in each atom, plant and animal,
each bird, fish, man and woman.

And you gave us a special star, our sun,
aflame with a life-evoking energy
to make our planet green and fertile,
sun-soaked in your love.

As we celebrate this magic feast,
open our eyes to the countless wonders
and to the sparks of fire-life
that you have planted in each of us.

May this holy and magical night
be aglow with star-fire and God-light
as we once again begin
the sacred season of summer.

Amen+

Some of my happiest childhood memories have to do with the season of summer. There was baseball across the street in an empty lot; playing marbles at the end of our gravel driveway; hanging out in the fort that my younger brother pretty much built himself, when he would let me; picking beans and peas and strawberries and raspberries in the garden; watering the marigolds, zinnias, and petunias; going to Jefferson Park Pool in Menasha on our bikes; and running through the lawn sprinkler. What are some of your favorite summertime things?

Be sure to soak in the beauty of these summer days, because, as you well know, it always seems that they pass by way too quickly. Remember that without relaxation and play, we can become pretty stressed out. Taking advantage of summer is a great strategy for stress management!

Happy Summer!

Fr. Bill +
