Church DOORS

To help minimize disruptions to Mass and to increase safety for our parishioners, there are a couple changes regarding the church doors starting the weekend of December 6 & 7.

1. The side ramp entrance to church (Door 6) will not be used for winter months, December through March and possibly longer.
2. The main church doors (Door 7) will be locked 10 minutes after Mass begins. You will still be able to attend Mass. After that time, please use the office entrance (Door 1) or the back lot entrance (Door 3).

If you have questions, please feel free to contact Chris Higgins in the office or email him at:

chiggins@stmaryparish.org.

**NEW
UPDATE**

Help St. Joe's Provide Shelter this Winter!

St. Joe's recently had to pivot from their original overflow shelter plans. The city required several costly facility upgrades, and St. Joe's discerned that resources would be better used directly supporting guests by providing hotel accommodations.

St. Joe's is now partnering with the Super 8 in Appleton and just completed their first Cold Weather Emergency—serving 35 guests in 25 hotel rooms for five nights. They are happy to share that the experience went very well overall!

How Can You Help?

VOLUNTEER FOR A SHIFT: Daily shifts are from 8:00 AM to 8:00 PM, with 4 volunteers on site at a time. Shifts are 3–4 hours long.

FOOD: St. Joe's currently has 7 food teams from other faith communities and local businesses that are providing meals. They are seeking a few additional teams to assist with meals for those staying in the hotel rooms. If you are interested, contact Sarah Fraley at sfraley@new.rr.com.

MONEY: Each room costs \$65. If you would like to sponsor a room, donate to BSC (Blessed Solanas Casey) and write "hotels" in the memo line. Checks can be mailed or dropped off at St Joe's.

For more information, stay tuned to the bulletin or contact Mike Mailand and at mmmailand@sbcglobal.net.

Generosity CORNER

I hope you are having a happy Christmas Season. As we approach our calendar year end and our fiscal mid-year thanks to your generosity we are in a good place so far for the year. We are right on target for our historical giving. Thank you so much for your support of the work we do at the parish.

MONTH	INCOME	BUDGET	VARIANCE
Dec(to date)	\$118,195.64	\$75,083.33	\$43,112.31

Your giving at work in the parish:

This year we have been able to accomplish so many things such as needed infrastructure support, new equipment for liturgy needs, and the completion of the St. Anne Room renovation, including adding the restroom and decontamination shower. We have been able to offer a robust "Let Us Pray" series, programs like "Reach More" and "Formed", and we launched a parish partnership with "Hallow". There is more to come as we do some minor renovation to the Babysitting Room, LL1/The Bride's room, update some of our room locks for easier and more secure access, and purchase of new sanctuary furniture. All of this is done through your generous support.

To love one another

ST MARY PARISH - APPLETON // 1.4.2026

WITH FR. BILL SWICHTENBERG

In addition to celebrating Mary, the Holy Mother of God, on the first day of the New Year, the Church also marks a World Day of Peace. 2026 marks the 59th such celebration. Pope Leo titled his beautiful message for the holy first day of the New Year “Peace be with you all: *Towards an unarmed and disarming peace.*”

Here is a passage that caught my attention:

Dear brothers and sisters, whether we have the gift of faith or feel we lack it, let us open ourselves to peace! Let us welcome it and recognize it, rather than believing it to be impossible and beyond our reach. Peace is more than just a goal; it is a presence and a journey. Even when it is endangered within us and around us, like a small flame threatened by a storm, we must protect it, never forgetting the names and stories of those who have borne witness to it.

Peace is more than just a goal; it is a presence and a journey.

Pope Leo’s entire message deserves to be pondered and prayed over. Here is the link for you:

<https://bit.ly/4pfHEcU>

Peace is a principle that guides and defines our choices. Even in places where only rubble remains, and despair seems inevitable, we still find people who have not forgotten peace. Just as on the evening of Easter Jesus entered the place where his disciples were gathered in fear and discouragement, so too the peace of the risen Christ continues to pass through doors and barriers in the voices and faces of his witnesses. This gift enables us to remember goodness, to recognize it as victorious, to choose it again, and to do so together.

How this happens, I do not know, but the Holy Spirit helped me to recall “the names and stories of those who have borne witness to peace.” I remembered the holy occasion of the Camp David Peace Accord between Egypt and Israel that was signed by President Anwar Sadat of Egypt, Prime Minister Menachim Begin of Israel, and President Jimmy Carter on September 17, 1978.

The agreement culminated thirteen days of intense negotiations. At times, the two leaders from the Middle East were near fisticuffs. For a couple of days, President Carter had to separate them from each other, confining Begin and Sadat to their cabins at Camp David. The President went back and forth with the latest proposals.

The key sticking point was a major Jewish settlement that had been built on Egyptian soil. The Egyptians demanded that the settlement be dismantled and the Israelis refused. At one point, both Sadat and Begin, with their suitcases packed, were ready to leave the talks.

President Carter recalled that Prime Minister Begin asked him for eight official copies of the photograph of the three leaders that Begin hoped to give as a gift to his eight grandchildren. Instead of just handing Begin the photographs, President Carter took the time, or his secretary, I should say, on her own initiative, took the time to call Israel to obtain the names of Begin’s eight grandchildren. Carter then autographed each photo, with a sincere message, written in his own hand, addressed by name, to each of the Prime Minister’s grandchildren. When Begin received these precious mementos, he found himself wiping away his tears. In that moment, with his heart overwhelmed with a desire for peace for his dear grandchildren and future generations, the Prime Minister went back to the talks, agreed to dismantle the Jewish settlement that was the sticking point, and a just peace was brokered. Not a single directive of that Peace Accord has ever been broken over the last 47 years!

Many years later, President Carter revealed, "After we agreed, somebody told me that Begin had visited Sadat’s cabin and I was very worried about that because I was afraid

they'd get into another punching match. But when I went over there, they were hugging each other."

For sure, an inspiring and holy story! Yes, in the end what always needs to be remembered is that we are all in the same boat together, that what moves our hearts is of the one Holy Spirit's Breath, and that we can choose to row together! Peace is always possible if our desire is there and if there is a willingness to seek justice together!

Note that President Sadat and Prime Minister Begin received together the Nobel Peace Prize in 1978.

How about a short poem with which to end this New Year's reflection!

Wildpeace

by Yehuda Amichai and

translated by Chana Bloch & Stephen Mitchell

Not the peace of a cease-fire,
not even the vision of the wolf and the lamb,
but rather
as in the heart when the excitement is over
and you can talk only about a great weariness.
I know that I know how to kill,
that makes me an adult.
And my son plays with a toy gun that knows
how to open and close its eyes and say Mama.
A peace
without the big noise of beating swords into ploughshares,
without words, without
the thud of the heavy rubber stamp: let it be
light, floating, like lazy white foam.
A little rest for the wounds—
who speaks of healing?
(And the howl of the orphans is passed from one generation
to the next, as in a relay race:
the baton never falls.)

Let it come
like wildflowers,
suddenly, because the field
must have it: wildpeace. *Fr. Bill +*
