

Pastoral Leadership Council Meeting November 2022

Opening Prayer – Nadine opened with Fr. Bill's Day by Day Reflection for All Saints Day at 7:48 pm.

- **Welcome** – How God has touched your life in the past weeks. Members shared their experiences as we focus on moving from institution to intention as a paradigm shift.
- **Business**
 - Follow up on Committee Assignments
 - Fellowship – (Beth/Nadine/Kara)
 - Discipleship – (Angie)
 - Young – (Tracy)
 - Adult – (Nadine/Kara)
 - Mission – (Emily L/Emily J)
 - Worship – (Annie)
 - Music (Keith)
 - Ministry – (Joe/Tom)
 - **Comm Team update** (Annie) – three items: Annual Report, Father's Report on the Synod Process, and Financial Pledge cards. Still working with no staff resource but moving forward.
 - **Follow up on Parish Norms Subcmte.** (Beth) We will be working on the parish norms document. Looking for help. It will be mostly via emails.
 - **Report on staffing/office subcmte.** (Nadine) Emily Lawless will not be returning after having her baby. A Communication position will fill this void and parish vitality will roll into the Adult Minister. The Music and Liturgy position did not draw any local candidates. A number of prospects from across the country via CatholicJobs.com. Margie Hoffstetter will do the logistics of liturgy (signing in Ministers, etc.) This will be a 10 hour/week stipend position.
 - **Parish Council Exposure**

- Badges ordered – wear them and help host hospitality at and after Mass.
- Head shot – write ups are done. Will be working with the Comm Team to put that out on the website and get us know to the greater parish community.
- **Discussion** – Follow up on Retreat. Keith and Joe reflected on their experiences at the retreat. The paradigm shifts were a powerful piece that made us focus on what we are doing as a parish and where we are going. Another part that was focused on was the Discipleship Cycle and how it is an ongoing process.
- **Calendar**
Stewardship focuses during the upcoming week.

The Lawrence University students will be doing music for the 9:45 am Mass on Christ the King.

Nov. 12-13 Anointing of the Sick at all Masses

Nov. 22nd Santa Scamper and Christmas Parade open house

Nov. 24th Turkey Trot and Thanksgiving Mass

Dec. 6th – PLC

Connect groups in Advent

Strategic Development Event – Tentatively scheduled for Saturday, January 28th.

Questions – Ted asked whether or not we will have high school representation on the PLC? We will investigate developing a process for this to draw candidates from the parish community. We can offer this as service hours. The goal would be to have one private and one

public school representative. We will bring this up at the December meeting.

Beth invited us to take on opening and closing prayers in upcoming meetings. Joe will do both for the December Meeting.

Closing Prayer and Intentions (Beth)

Adjourned at 8:47 pm.
